

# Product Review

## Mt. Borah

Mt. Borah's cycling cap is made from the company's Micro-Grid fabric, which offers moisture management, breathability and wicking properties. One size fits most. **Suggested retail: \$15**

150 Jack Berg Lane  
Coon Valley, WI 54623  
(800) 354-2825  
www.mtborah.com

## Felt

The Devox carbon road handlebar features Ultra Hybrid Carbon (UHC) plus Nano Technology. It has a monocoque construction and ergonomic bend. It comes in two styles: regular and clip-on compatible. **Suggested retail: \$299.99**

12 Chrysler  
Irvine, CA 92618  
(949) 268-4475  
www.feltbicycles.com

## Tifosi Optics

The Scout comes with impact-resistant polycarbonate lenses and ultra-tough Grilamid TR-90 frames that can be used and abused by kids as young as 4 or adults with extra small faces. **Suggested retail: \$29.95**

1051 Industrial Boulevard  
Watkinsville, GA 30677  
(866) 310-0996 ext. 211  
www.tifosioptics.com

## Continental Bicycle Tires

Using the same casing and construction as the GP4000 S including Vectran puncture protection—in order to achieve the white tread color—the GP4000 LTD White features Continental's ASC (activated silica compound), which provides excellent dry-condition performance and low rolling resistance. It's available in 700 x 23 only and weighs 205 grams. **Suggested retail: \$124.95 (pair)**

Highway Two  
1909 Miller Drive  
Olney, IL 62450  
(877) 395-8088  
www.highwaytwo.com

## Softride

The Access Dura bike rack is made with rugged powder-coated steel, which enables the rack to withstand outdoor conditions. The anti-rattle tightening hitch bolt with lock, included with the rack, cinches the hitch bar to the side of the receiver wall, eliminating sway and instability. **Suggested retail: \$299.99**

4201 Meridian Street  
Bellingham, WA 98226  
(360) 647-7420 ext. 210  
www.softride.com
